What is a Veritas Weekend?

Veritas is an opportunity for young adult men and women to discover and express their Catholic faith.

The weekend consists of talks, music and activities focused on recognizing the role God plays in our everyday life.

It is a blend of seriousness, fun, spiritual exercises, talks and discussions on topics of interest to young Catholic Christians.

The program is filled with practical information, which you can immediately apply to your daily life.

You will have the opportunity to examine your values and priorities, while learning how others have met the challenge of living for God in our complex society.

It is a "back to basics" weekend which can help you better understand yourself, your family, your friends, the Church and Jesus Christ.

How did it begin?

Veritas was started by a small group of college age Catholics who wanted to be able to share their Catholic faith with people their own age.

Who can attend?

Veritas is open to all Catholic young men and women age 18-28.

Jesus answers: "I am the way, the truth and the life."

John 14:6
